

presents:

Safety Devices for Those with Hearing Loss

Monday, September 10, 2018
10:00 a.m. – 12:00 p.m.

All are welcome as Dr. Tina Childress, an expert in hearing technology and in teaching others to deal with hearing loss issues, will explain the latest safety devices for those who cannot clearly hear smoke alarms, CO detectors, doorbells, and other devices that alert us to situations vital to our safety. This program is for those with or interested in hearing loss and is presented by the Chicago North Shore Chapter of the Hearing Loss Association of America. Live captioning will be provided and the room is equipped with a hearing loop. Light refreshments included.
