

UNIVERSITY OF ILLINOIS CHICAGO
in Collaboration with AgeOptions

A Research Study About The Needs of Older Adults and Family Caregivers

Who live in Suburban Cook County, IL

Do you provide at least 4 hours per week of unpaid help (such as cooking, cleaning, dressing, medication management, etc.) to:

- 1. a person age 60 or older and you are 18 years of age or older, or***
- 2. a child age 17 or younger but you are not the biological parent of the child and you are 55 years or older, or***
- 3. a person with disability who is between 18-59 years old and you are 55 years or older?***

Are you willing to answer few questions about your experiences and access to services for family caregivers? Read through to learn more!

Researchers at the University of Illinois Chicago want to identify the needs family caregivers. Specifically, to better understand the needs of the population 50+, determine any gaps in accessing services, and identify what impacts services for the population living in suburban Cook County.

CONTACT INFORMATION

For more information about participating in this research study please contact:

Randa Abdelrahim, Project Coordinator

Phone: **312-355-5905**

E-Mail: **aoana@uic.edu**

The principal researcher for this study is Kelly Hsieh, Ph.D at the University of Illinois at Chicago at 1640 Roosevelt Rd, Chicago, IL 60608

What would happen if I took part in this study?

- You will complete a survey that help us explore the needs of family caregivers, and to better understand the barriers to access services

Where will the research take place?

- You can complete the survey online over the phone, or on paper. You will receive a \$20 gift card after completing the survey

Scan the QR code or copy the link to your browser to get the instructions about how to complete the survey
