Warriors Until the End: What Makes Veterans Different

Presented by Linda Rockwell, MPA
JourneyCare Veteran's Program Manager

Participants will:

- Learn to differentiate the experiences and health risks of veterans unique to each era of service
- Explore issues that might arise in working with veterans such as trauma, pain management, guilt, and the need for forgiveness
- Learn how to offer guidance on responding to veteran's needs in a veteran-centric manner
- Provide resource information on services available to veterans and their families

Thursday, June 23

3:30 - 5 p.m.

161 Northfield Road

[Register here](#)

1.5 CEUs will be available for \$10. A complete evaluation needs to be submitted after the webinar in order to receive a certificate. Attendees must be present for the entire program. NSSC is approved by the Illinois Department of Professional Regulation to sponsor continuing education for social workers. (License # 159-000837).

For future program announcements and newsletters, please sign up at nssc.org.
